SAVE THE DATE

Undertow Charity Golf Classic,

February 5th, 2027. Yes, I am a little ahead of myself BUT this is an important event that our club supports by providing volunteers. Please mark it on your calendars.

Sandy's Snippets

It was interesting playing in September, with the course shaved down to nothing and grass blown into your face while swinging. BUT it was super easy to find a ball – fairways were not as crucial as usual. Get ready for that to change as the new seeding takes place and the course grows back its molars!

Good news on the membership front – fees will be staying the same for 2027 because the city is not raising access fees. Our club's diligence with pace of play and volunteerism have been contributing factors so let's take that into next year.

A reminder about abiding by the rules of golf – conversations should always be handled kindly and in the spirit of helping one another. If you have any questions/queries about a ruling or golf situation, please contact Eunhwa, our Rules Director.

Enjoy these last two months of 2026 golf!

Member Spotlight

KRISTINE CLEMENGER, raised in the Minneapolis area, moved to San Diego in 1997, after meeting her husband, Mark. After a variety of careers, Kris became a Southwest airlines attendant.
Started playing golf: Kris dabbled in it at high school but took it up "for real" in 2019 and joined TPWGC in 2022.
International golf: This year Kris played Royal Liverpool, Royal Birkdale (a few weeks before The Open Championship), and Southport and Ainsdale golf clubs, with the latter, her favorite of the 3.
Domestic golf: Kris has played and enjoyed Pebble and looks forward to adding the Bandon Dunes' and Whistling Straits' courses to her "played" list.
Other Pastimes: Reading, gardening, cycling, hiking, tennis and surfing.
Why golf? Kris loves the mental challenge of golf, the physical time spent walking beautiful courses and the camaraderie and friendships she has formed, playing golf.

Rules Corner

What can you use to mark your ball on the green? Rule 14.1a

Answer:
An artificial object, such as a tee, a coin, an object made to ba a *ball-marker* or another small piece of *equipment.* Natural items like leaves, twigs, or stones are prohibited.

Can you use your putter to mark your ball?

Yes, you can place the toe or blade of your putter right behind the ball, lift the ball to clean it or adjust its alignment line, replace the ball in the EXACT spot, and then lift your putter. You must *hold* the club in place. You cannot lay the putter completely flat on the green and walk away from it, as it then becomes an illegal alignment.

Pick up your ball marker before making your stroke. Stroking a putt with your marker still on the green results in a one-stroke penalty. Rule 14.1a.
