Congrats to our ACE DAY winners!

UPCOMING EVENTS

Next Month's Play Dates:

Oct 13 – ACE DAY

Oct 20 – N.E.T.

Oct 27 - FOURS

THE LUNAR GOLF SWING

February 6, 1971, Commander Alan Shepard, on Apollo 14, smuggled a 6-iron head into his space suit and attached it to a lunar sample collection tool handle. Wearing a stiff spacesuit, he swung one-handed and hit two golf balls.

SANDY'S SNIPPETS

The rules of golf are complex and nothing any of us want to spend too much time studying, right? But playing by the rules ensures competition is fair for everyone in the field. We all share the responsibility of knowing the rules and protecting the field, not just our own score. If someone in your group is unsure of a rule, please help when you can or encourage the group to look it up. If you see a player who may be proceeding incorrectly, a friendly reminder can often prevent a problem before it happens. Rules conversations should always be handled kindly and in the spirit of helping one another. If you have any questions about a ruling or golf situation, please contact Eunhwa, our Rules Director.

Also, I have heard that there are a few players using their rangefinders with the slope feature activated. You cannot use this feature during any of our events. If you do, it's a 2-stroke penalty in stroke play or loss of hole in match play. The second breach during the same round is disqualification.

MEMBER SPOTLIGHT

KRISTIE LESAGE, member of TPWGC since 2023, was born and raised in Ontario, Canada. Thanks to her Dad, Kristie had a golf club in her hands by the time she was 5 and started playing competitively at the age of 10. When she went to college, golf went onto the backburner, replaced by cross country and track.
August 1st, 4 days after playing Torrey, Kristie gave birth to her first child, Summer Avis Gerber. 24 days later, Kristie shot a 78 at Torrey, a new personal record. It is obvious pregnancy and childbirth suit her! I am guessing Summer will have a set of clubs BEFORE she is 5!
Favorite golf course: TORREY!

Dream 4some: Kristie, her Dad, her husband and her daughter. And Tahoe her dog as caddie!

Pet Golf Peeve: Talking during someone's swing.

Want to Play: Pebble Beach, St Andrews and Arcadia Bluffs.

Favorite Club: Pitching Wedge.

Rules Corner

What happens when a ball in motion hits and moves a ball at rest? (Rule 11.1)

Answers:

When a ball is played from off the green and strikes and moves another ball at rest, either on or off the green, the ball played from off the green is played from where it comes to rest. The ball that was at rest must be replaced on its original spot. There is no penalty.

When a ball played from the putting green hits another ball at rest on the putting green, the player plays her ball from where it came to rest. In Stroke Play she incurs a 2-stroke penalty but in Match Play there is no penalty. The ball that was at rest is replaced on its original spot, no penalty.
