

ACE DAY Winners

Feb 2023

Overall Gross: Jan Kelleher with a gross score of 77.

Overall Net: Janet Sprintall with a net score of 66.

Thanks to all of you who came out to play on a cold, rainy, windy morning.

UPCOMING EVENTS

Next Month's Play Dates

Mar 7 – ACE Day

Mar 14 – Partner Eclectic Round 1

March 21 – Partner Eclectic Round 2

Volunteer Opportunites

Thanks to all who volunteered at the Farmers and Undertow tournaments. Your time is truly appreciated. Without volunteers there would be no tournaments.

KNOW OF OTHER VOLUNTEER ACTIVITIES? PLEASE EMAIL EVENTS@TPWGC.COM WITH DETAILS.

Remember to document all volunteer hours and donations each month. These hours and dollars will be necessary to document when we renegotiate our Special User Permit (SUP) in 2024.

Please report all volunteer hours and donations to events@tpwgc.com for tracking

SANDY'S SNIPPETS

It turns out the city never signed the Special Users Permit (SUP) in 2022. There is another version I will be signing this month. I hope! The SUP will be in place from 2023-2025.

In this new SUP our club must pay an extra \$20 per person to the city which was not in the budget. Since we did not plan for this additional cost, we will be decreasing sweeps and tournament payouts in 2023, to meet the budget. By doing this we will not have to increase 2023 dues. YEAH!

Finally, we can JUST PLAY GOLF!

Also, a great big THANK YOU to all who volunteered at the Farmers and Undertow tournaments.

Sandy Wichelecki
TPWGC President

MEMBER SPOTLIGHT

Some golf trivia about our club's new president:

Favorite hole on Torrey North
The 15th. Hard to beat the view!

Any hole-in-one's?
Torrey South #8
Spyglass Hill #5

Favorite golf destination
Pebble Beach

Bucket list golf destination
St Andrews.

Favorite female pro golfer
Annika Sorenstam.

Dream foursome
Arnold Palmer, Micky Wright
Phil Mickelson, Sandy W

RULES CORNER

OH NO!! You didn't carry the canyon on hole #12, North course! According to Rule 17.1, you have three choices:

1. Drop the ball two club lengths from the edge of the canyon where the ball crossed.
2. Play Back-on-the-Line relief, meaning you can drop the ball as far back in line keeping you, the point of entry and the pin, in line.
3. Stroke-and-distance, meaning you can re-tee the ball.

If your tee shot DOES carry the canyon but rolls back into canyon, then you can drop a ball two club lengths laterally (either side), no nearer to the hole from where the ball rolled in.

All of the above options are for one stroke penalty.
