UPCOMING EVENTS

Next Month's Play Dates

April 11 – ACE Day

April 18 – LONG JOHNS

April 25 – PLAY THE MIDDLE

Pace of Play Tip

Drop your cart/bag between the green and the next tee box **before** you go to your ball. Then when you putt out, the green is open to the group behind you.

KNOW OF OTHER VOLUNTEER ACTIVITIES?

It is necessary for us to document our members' volunteer hours and donations to use during the 2024 Special User Permit (SUP) negotiations.

PLEASE REPORT ALL VOLUNTEER HOURS AND DONATIONS TO EVENTS@TPWGC.COM

SANDY'S SNIPPETS

The Special Users Permit (SUP) has been signed off by me – finally! Thanks to all the board members who helped this process. It is now in the city's hands for final signature.

Thanks for sending in your volunteer hours from the Farmers and Undertow tournaments.

Volunteer work also includes serving on other golf club boards and committees such as Coronado, Encinitas Ranch etc. If you haven't already, forward that information to Michelle N (events@tpwgc.com).

All members, if you have any questions or concerns, please talk to your board members on the course or email us. Contact information is on the TPWGC website.

The marshal thanked us 2/21/23 for having a great pace of play. AWESOME JOB LADIES!

MEMBER SPOTLIGHT

I interviewed *yours truly* only because I am waiting to hear from more interesting members! **From?** Brisbane, Australia. **Moved here because?** Wanted by the law.

What's unique about golf Down Under: At some golf courses you will see kangaroos bouncing around the fairways. This is true unlike the above. Oh! And the ball spins around the hole clockwise!!!

Any hole-in-one's? Desert Willow and Oak Glen at Singing Hills. The latter was during the pandemic and there were no flagsticks on the greens! **Favorite golf destination:** Ireland

Favorite golf movie: Seven Days in Utopia.

Favorite golf book: A Course Called Ireland. An American journalist/golfer spent 16 weeks trekking around the entire country, playing 60 courses.

Awesome Aussie Foursome: Karrie Webb, Adam Scott, Jason Day, Michelle Natalier

RULES CORNER

Much to your chagrin, an *almost perfect* approach shot rolled just off the green. A tight lie makes putting a good option for your next shot EXCEPT for the presence of a poorly placed sprinkler head!

What is the ruling?

If the sprinkler head is within 2 club lengths of the green, and the ball is within 2 club lengths of the sprinkler head AND the sprinkler head is on the line of play, you can take relief by dropping within 1 club length of nearest point of relief, no closer to hole. After taking relief, you may choose to chip or putt. This is a local Torrey Pines golf course rule.

If the sprinkler head interferes with your stance, you may take relief per Rule 16-1. Drop within 1 club length from the nearest point of relief, no closer to the hole.
