## SANDY'S SNIPPETS

Thanks to all who volunteered at the City Am championship. If you haven't done so already, please let Michelle know your volunteer hours.

**GREAT JOB ON PACE OF PLAY!**

Thanks for putting your scores into Golf Genius as soon as you leave the 18<sup>th</sup> green. Unfortunately, the data from GG hasn't been super reliable so as a back-up, please let the starter know at the turn and at the end of your round, what time you started. I need this data to be accurate in case I must "discuss" something about pace of play with the golf managers.

If a member of the public is in your group and is slowing you down, do not hesitate in calling/texting Matty Reyes, golf course manager. 619-322-2306.

**Ready golf tip:** on the tee – the player who is ready should hit first. Unless there was a birdie at the previous hole. If that's the case, for good karma, let the birdie girl lead the way!

## MEMBER SPOTLIGHT

**Janet Sprintall**, Torrey member for just over a year, hails from the beautiful city of Sydney. Janet is an oceanographer at Scripps and just returned from the Arabian Sea where she was studying the nature of the summer monsoon. As an expert in Pacific Ocean dynamics, I wonder if she can explain why putts break towards the ocean at Torrey???

**Most exotic place you have played golf:** Da Lat Palace GC Vietnam.

**Favorite club in the bag:** 3 wood – when it works that is!

**Favorite course in US:** Pacific Grove, CA. A municipal course with beautiful ocean views.

**Favorite international course:** Boomerang Farm GC, Mudgeeraba, Qld, Australia. It's a hokey little 9-hole course where you have to give way to the resident kangaroos. *Is there a penalty for hitting a grazing 'roo???*

**Dream 4some:** Janet, her husband Bo, Annika Sorenstam, and Ian Baker-Finch. Janet thinks it would be a polite, happy-go-lucky group so they would be fun and wouldn't laugh too hard at her highly unorthodox swing!

**WELCOME to TPWGC Janet.**

## Rules Corner

**Question:** Your rangefinder has the slope feature. Can you use the feature during the sweeps play on Tuesdays?

**Answer:** No, you cannot use the slope feature during any TPWGC events. The feature has to be turned off or you will incur a two stroke penalty. Second breach of the rule will be disqualification. Rule 4.3.

**Question:** What happens if you hit a wrong ball?

**Answer: Rule 6.3c.** In *stroke play*, the player gets the general penalty (two penalty strokes) and must correct the mistake by continuing play with the original ball by playing it as it lies or taking relief under the Rules.

If the player does not correct the mistake before making a stroke to begin another hole or, for the final hole of the round, before returning their scorecard, the player is disqualified.

In *match play* the player gets the general penalty (loss of hole).

A *wrong ball* is any other player's ball, a stray ball that was left on the course, or your own ball if it was lying out of bounds, or was found after the 3 minute search period expired.
