### SANDY'S SNIPPETS

The Divot program is a big success with the course maintenance workers. They told me to let all the divot volunteers know how much they are appreciated. Thank you for signing up. If you want to join the divot program, let me know. I have been going out there 2-3 times a month. It's a nice walk in the park if the fog isn't too thick!

As you've seen, the course has been scalped and reseeded. It will be a challenge to play while the grass is growing but it will be beautiful soon.

The Farmers Insurance Open is looking for volunteers. Contact 2024 Farmers Insurance Open ([trusteventsolutions.com](http://trusteventsolutions.com)).

There is a drop-down menu in the referral section – please indicate that you are from TPWGC.

Remember to put your scores into GG promptly – as soon as you finish your round. Also, contact Matty Reyes directly (619-322-2306) if you have public players playing slow in your group.

Ready golf tip – on the tee, tee off as soon as the group ahead has cleared.

TPWGC President

#### If you could make one change at Torrey North:

Bring back the lotus pond that used to be on the 8<sup>th</sup> hole (the old 17<sup>th</sup> hole). Suzy loved the beautiful flowers that were in and surrounding that treacherous Penalty Area.

### Rules Corner

**Question:** Can you test the green you are putting on by rubbing the surface or rolling a ball on it?

**Answer:** No, you are not allowed to test the green by rubbing the surface with your hand or rolling a ball. You will incur a general penalty - two strokes. **Rule 13.1e**

**Question:** I don't think I can play my ball as it lies in the bunker – what are my options?

**Answer:** If you don't want to or decide you can't play your ball as it lies in a bunker, you may decide it's unplayable. If so, you have four options. You have three one penalty stroke relief options:

(1) You may play a ball from the spot of your previous stroke (if this spot was out of the bunker, this option gets you out of the bunker but if your last stroke was from IN the bunker, you must stay in the bunker). **Rule 19.2a**

(2) You may take back-on-the-line relief IN the bunker. **Rule 19.2b.**

(3) You may drop in the bunker within two club-lengths of where your ball lies but not nearer to the hole. **Rule 19.2c**

Your fourth relief option comes with two penalty strokes – you may get out of the bunker using the back-on-the-line relief option. **Rule 19.3b**
