SANDY'S SNIPPETS

Welcome back from the holidays. I hope you had a fantastic time with family and friends, or just hanging out because that is what you wanted to do!

A big WELCOME to our new members. I hope you enjoy the course like we do – the views are stunning! Please familiarize yourself with our website, www.tpwgc.com. You will learn about our rules, policies, Board members and many other items.

We have a fantastic turnout scheduled for the next "divot party" on January 8th. The golf course superintendent is very thankful for our work and says the course is in the best shape he has seen for this time of year.

Thanks also to those members who are volunteering at the Farmers and Undertow events – the city managers are noticing and that is a great thing!

On behalf of the Board, I wish you a year of low scores, new friends and lots of laughs!

HAVE FUN OUT THERE!

MEMBER SPOTLIGHT

Carole Shumate, TPWGC member since 2016, is a 3rd generation Japanese American, her grandparents and father, Japanese internment camp survivors. Carole's life reflects this heritage – a deep love for family and a passion for travel.

If you don't see Carole at Torrey, there is a good chance she is traveling distant lands, exploring the great outdoors and sampling the local cuisine. Her passport would amaze you!

Favorite domestic course:
Plantation course at Kapalua, Maui.

Bucket List golf courses:
Pebble Beach (domestic).
St Andrews (international).

Dream Foursome: Carole, Colin Morikawa, Nasa Hataoka and Ricky Fowler.

Golf shot you fear most:
130 yards over water.
(*hmm....was Carole behind the redesign of Torrey North hole 8?*)

Golf shot you feel most confident playing:
30-yard pitch onto the green.

Rules Corner

Question: Michelle thought she could drive the green on a short par 4 (*of course she did!*), so she swung hard and picked her head up, anxious to see where the ball went (*sounds about right!*). Her ball ended up lodging itself in a palm tree (*of course it did!*). She can see the ball and identify that it's hers but it's not playable unless she can climb the tree. What are her options?

Answer: If she decides not to climb the tree (*that's questionable*), she has 3 relief options, all for a 1 stroke penalty. 1) Go back to the spot of previous stroke. Since it was her tee shot, she can re-tee. 2) Go back as far as she likes and drop on the line from the hole through the spot where the ball lines (back-on-the-line relief). 3) Drop the ball anywhere within 2 lengths of where her ball would lie on the ground below its spot in the tree, no closer to the hole. Rule 19.2.

If your ball lies in a bunker, you must remain in the bunker under options 2 and 3. A 4th option for an extra penalty stroke (two total) allows you to go back on the line and drop outside the bunker. Rule 19.3.
