### SANDY'S SNIPPETS

WOW! What a great job we all did volunteering at the Farmers, APGA and Undertow events – even though it was a little/lot wet at times! I for one loved the look of the beautiful pristine, green fairways but I will not miss that rough! Just a reminder, the 1-minute lost ball rule is no longer in effect. You must find your golf ball or incur the penalty stroke.

Thank you one and all for helping our club make a positive impact at these events. We can now take a break from volunteering and get back to enjoying Tuesdays at Torrey.

Back to the business of golf! Remember to look at our website for rules, policies, board members and other questions you may have.

Also, if you have questions about your scores, email Soo Lee at [sweepsresults@tpwgc.com](mailto:sweepsresults@tpwgc.com)

Post your scores promptly after your round – yes, that means before you eat lunch!

PLEASE CONTINUE YOUR DILIGENCE WITH PACE OF PLAY.

Sandy Wichelecki  
TPWGC President

### MEMBER SPOTLIGHT

**Gina Menicucci**, TPWGC member since 2021, is the club's new Treasurer. Gina owned and ran a channel marketing company for SYSCO Food Service.

Gina has been playing "casual" golf since 1992 when her college roommates taught her – after they took a golf class in college! More serious, organized golf from 2019.

**Bucket List Golf:** where it's warm and no rain. San Diego? Hmm.. I won't be surprised if she has a house in the desert!

**Favorite golf movie:** Tin Cup. Gina admits to playing like that, at times!

**Dream Foursome:** Gina, Brett Ayoob (best friend), Christina Kim (to add to the FUN element) and Lee Trevino, who was super friendly when she met him.

**Hole-in-one's:** Coyote Ridge in Dallas, Tx. Mt Woodson in 2023.

**Favorite shot:** DRIVER baby!

**Least Favorite:** 60-degree wedge from fairway.

**A golf life lesson:** Take a breath before major decisions – like going for the green versus laying up. TIN CUP!

### Rules Corner

**Question:** What is your favorite rule when you get in a pickle?

**Answer:** It should be "stroke-and distance", Rule 18.1. It means you can redo your shot with a one-stroke penalty. Most of us are aware of this rule for Out-of-Bounds or Lost Ball but this rule can be used to save you 1 or more strokes. Here are some of the situations you can take advantage of this rule:

- \* "Fried egg" lies in a bunker.
- \* When your ball is up against the lip of a bunker.
- \* When your ball is up against a tree and the options of lateral relief and back-on-the-line relief don't leave you with nice angles into the hole.
- \* When your ball is in a bush and it would be tough to use other unplayable lie options.
- \* When you're just off the green and you accidentally hit your chip shot thin and it rolls into the water.

AND, the best part is you don't even have to retrieve your ball first! Just tell another player you are playing under stroke-and-distance and grab a fresh ball from your bag.
